Summary of Previous State Board of Education Discussion and Action

On May 30, 2002, the State Board of Education approved California's Consolidated State Application for NCLB. This application was submitted to the United States Department of Education on June 12, 2002 and subsequently approved on July 1, 2002. Subsequently, the SBE approved the contents of the Consolidated State Application Accountability Workbook on January 8, 2003 for submission to the U.S. Department of Education on January 31, 2003. The Workbook is subject to a peer review process that is now underway.

Summary of Key Issue(s)

California's approved Consolidated State Application and the NCLB Act require that many activities and decisions be accomplished over the next eight months. This standing item will allow CDE and SBE staff to brief the Board on timely topics such as new federal regulations and Guidance, the status of data collection as required by NCLB, and implementation efforts, such as the provision of supplemental services and the distribution of annual state and local report cards. Topics for discussion include the Local Education Agency (LEA) Plan, a survey of districts' implementation of supplemental services, and the NCLB Accountability Workbook peer review process.
